Dear Tony:

Thank you for taking a pivotal role in facilitating the ceremony and presentation of the proclamation in recognition of Taiwanese American Month for the month of May 2008.

You and your colleagues from the Taiwanese American Association of Greater Orlando and the Taipei Economic and Cultural Office well represented the rich diversity and cooperative spirit of our community and I look forward to maintaining our strong relationships well into the future.

Thank you for participating in this meaningful ceremony that involved the presentation of the flag of Taiwan and for your continued involvement in our community.

Sincerely,

Buddy Dyer
